## **Challenges 2018-2019**

### **1. The “Tinner’s Challenge”- Sign up for this challenge in October, the challenge starts in November!**

Bring a cookie tin to the November meeting, with your name written on the bottom, with a fat quarter of your choice inside and a theme written on a piece of paper, for example, Baskets, Flowers, Stars, whatever you like. You will be part of a group that exchanges the tins each month and each tin will include a list of names in your group, about 6-8 people. You will take home another member’s tin at the November meeting to make a block using a piece of the fabric inside and use your own design for their block theme. Bring it to the next meeting and give it to the next person on the list, you’ll receive a new tin each month and we’ll continue every month until the last name on the list. When you get your own tin back at the end, it will be filled with beautiful blocks, each one including a piece of your own fat quarter fabric, made by the members on the challenge list. A great way to collect beautiful blocks to use in a quilt for our next show!
