The only rule is to use the majority of the fabric. You are to create and finish a quilt (no size limit) based on your interpretation of the meaning "Fabric of Life". There will be a cost for the fat quarter, 100% of the proceeds will go to support the Hèrè jè Center.*

*Fabric of Life is located in Mali.*

*It was started by Carol Schillios to stop the cycle of begging for girls and provides schooling for a sustainable life. The Hèrè jè Center offers skills, training, health and nutrition, family planning, AIDs prevention and literacy skills. These skills lead to developing micro-entrepreneurs who can generate sustainable income for themselves and their families.*

### 2. "Oh Canada 150" Challenge

Due: May 2017

Contact Person: Deelia Evans 613-476-7785 [deelia@kos.net](mailto:deelia@kos.net)

*Canada turns 150 next July 1st. In honour of this event, we challenge you to create a completed wall quilt or a bed quilt which represents what Canada means to you. You may use any method and any colours. The minimum circumference is 120 inches.*

*The normal size of a flag is calculated as "the width is 2/3 the length". A 2 foot by 3 foot sized flag would have a circumference of 120 inches, however you don't have to make your challenge that shape. You can make it as large as you like.*

*You may enter one item in each category.*
